Bishop's Announcement The Bishop has tentatively set September 13, 2020 as the date parishes may begin to re-open for Sunday worship. This date is subject to change, should local public health indicators trend negatively in the coming weeks. Churches may reopen with specific guidelines and protocol in place. More information on St. Mark's reopening will be available to you in the coming weeks.

Smile for the Camera! In the early spring we began to prepare an updated Photo Directory for our parish. Unfortunately, due to COVID-19, we found it necessary to postpone our photo sittings. We are now ready to photograph. Sittings will be in 30 minute instead of 15 minute appointments to allow for more social distancing. PPE will be present and Hand Sanitizer. You will initially be contacted by Carol Foley either by phone or email with a suggested appointment (based on previous sign up). Be ready to smile for the camera!

Our Food Cupboard Our Food Cupboard is open and well stocked! Thank you to all at St. Mark's who have contributed. At this point, we are quite full and not in need of donations. We will keep you informed as the need arises. Thank you also to our volunteers who staff the cupboard.
