FINANCIAL UPDATE MAILING

In the coming week all parishioners will be receiving a letter regarding our operating expenditures which continue to exceed our income. We currently face a deficit year to date of \$25,700 (this is significantly lower than previously reported due to an additional draw from the investments in our Heritage Fund). We ask that you prayerfully consider increasing your weekly/monthly offerings and/or making a one-time donation to help address our current deficit as you are able.
